Thank you very much dear parents for sparing your valuable time for making this venture a colourful one. Our Executive Director, Rev. Fr. Varghese Palatty, Asst Exe. Director Rev. Fr. 3. **Spiritual Workshop (Retreat)**

Adolescence is a period of transition when an individual changes physically and psychologically from a child to an adult. The adolescents, due to these changes, often face a number of crisis, challenges and dilemmas in various ways. Compassion, empathy, gratitude, promoting harmonious human relationships, and a sense of oneness with all living beings are feelings that are also needed to be ingrained into the mindset of children. By keeping this view, **Two** days retreat was organized for the students of classes V to IX & XI on 15<sup>th</sup> and 16<sup>th</sup> of February 2024. The sessions were led by a team of professionals from Immanuel Retreat Centre, Malayattoor. Special sessions were also organized for students from different believe systems.

#### **4. KG, I & II Field Trip to Thrissur Zoo**

Field trips were organised for the students of Classes I, II & KG on 22<sup>th</sup> and 27<sup>th</sup> of February 2024. The students could see different types of animals in and out of the cage with their naked eyes which they might have seen only in their text books, movies and other social Medias. The students were found be so thrilled to see those animals and their peculiar innate habits.

#### **5. Class Picnics**

As everyone knows, education which lacks pleasure cannot make a permanent impact on the minds of the learners. Consecutive classes, assignments, and other exams, make their life boring and their shining faces gradually become gloomy and sad.
