HAPPY ONAM

EXECUTIVE DIRECTOR'S MESSAGE

Every new academic year opens the door to fresh possibilities and greater achievements. As we reflect about Naipunnya Public School our remarkable progress and meaningful milestones supported by the sincere efforts of our teachers and the encouragement of our parents, reaffirm the strong foundation upon which our school continues to grow.

A significant highlight of this year has been the inauguration of our school ground, which was formally inaugurated by our Honourable Minister for Higher Education of Kerala, Shri.Roji M. John. The new facilities include an open gym, football ground, cricket pitch, volleyball court, and more, adding new dimensions to our educational environment. These facilities reflect our belief that true education extends beyond the classroom. We are proud to provide our students with enhanced opportunities to explore their abilities, pursue their interests, and develop a balanced approach to life.

As part of our commitment to providing a modern and enriching learning environment, we are also striving to establish an AI Lab for our students. We are trying to provide shelves in the classrooms as well, creating more organised and resourceful spaces for learning. Our IIT and entrance coaching programmes are also running smoothly, supporting our students in preparing confidently for their future academic pursuits.

Considering the long-standing requests of our parents, we are planning to extend the school timings up to 4:00 p.m. This initiative is being considered with the overall academic and developmental needs of our students in mind. We are also very happy to share that, with the addition of new teachers, our school has become more energetic and vibrant. The management is taking every possible care to ensure the smooth functioning of the school and to provide our students with a safe, supportive, and enriching environment.

Every achievement inspires us to set higher goals, embrace new challenges, and continue our pursuit of excellence. As we move forward, let us continue to work together with determination and a shared commitment to excellence, empowering our students to achieve beyond expectations.

May the spirit of Onam fill every Naipunnian home with happiness, prosperity, and renewed hope.Wishing you all a blessed, peaceful, and joyous Onam

Rev. Dr. Bindo Kilukkan
Executive Director
