DIRECTOR'S MESSAGE

'There is no fear in love. But perfect love drives out fear, because fear has to do with punishment. The one who fears is not made perfect in love.'

"John 4:18"

Wish you a MERRY CHRISTMAS and HAPPY NEW YEAR!!!

The birth of Jesus is a matter of joy and hope for the whole world. It is also a time of joy and merriment. Popular customs for Christmas celebrations in India and across the globe include attending Church, decorating houses, setting up Christmas trees, being with friends and family, exchanging gifts etc. People start decorating their houses with lights and Christmas symbols like bells, wreaths, stars, candy canes, and candles. Christmas is also a time for giving and sharing. Gospel says that Jesus chose to be born in a manger to show His union with the lowly of the earth. Let us think of the less fortunate section of the society in which we live and share what we have with them so that we celebrate Christmas in a meaningful manner.

It is to be understood that the peace Jesus brought can only be enjoyed by those having goodness at heart. Let us enjoy the fruits of Christmas by being extremely good at heart.

Once again wish you a MERRY CHRISTMAS and HAPPY NEW YEAR!

Fr Varghese Palatty
Executive Director
