

DIRECTOR'S MESSAGE

"For God so loved the world, that He gave His only Son, that whoever believes in Him should not perish but have eternal life."
John 3:16

Wish you a MERRY CHRISTMAS and HAPPY NEW YEAR!!!

"Christmas" is an annual festival that commemorates the birth of Jesus Christ, as a cultural celebration among billions of people around the world on December 25. As we all know, during the Christmas festival, members of family, friends, and relatives come together to celebrate the occasion joyfully. In Kerala, a large number of carol groups visit homes in their localities while churches undertake carol visits to houses in the locality irrespective of their religious affiliations.

He was born in a world that only knew greed, hatred, vengeance, and hypocrisy. In spite of all the negativity that was being spread around the world as he grew old, he eliminated all of it and taught everyone how to love each other. To show His union with the poor and downtrodden, a manger was chosen by Jesus to be born in.

It is also a time for giving and sharing. Let us all think of the most distressed and oppressed section of the society in which we live and share what we have with them so that we celebrate Christmas in a meaningful manner.

Once again wish you a MERRY CHRISTMAS and HAPPY NEW YEAR!

Fr. Varghese Palatty
